

**The Flora of the PCT: B10, Snow Creek Road to Tamarack Road (Interstate 10):  
Plant Trail Order**

| #  | Famil | Scientific Name                                   | (*)Common Name                         | ID |
|----|-------|---|--|----|
| 1  | Aster | <i>Ambrosia salsola</i>                           | cheesebush                             |    |
| 2  | Aster | <i>Encelia farinosa</i>                           | brittlebush                            |    |
| 3  | Brass | <i>Brassica tournefortii</i>                      | *Asian mustard                         |    |
| 4  | Borag | <i>Phacelia distans</i>                           | common phacelia                        |    |
| 5  | Onagr | <i>Eulobus californicus</i>                       | California suncup                      |    |
| 6  | Aster | <i>Chaenactis fremontii</i>                       | Fremont pincushion                     |    |
| 7  | Aster | <i>Ambrosia acanthicarpa</i>                      | bur-ragweed                            |    |
| 8  | Poace | <i>Schismus barbatus</i>                          | *Mediterranean schismus                |    |
| 9  | Aster | <i>Rafinesquia neomexicana</i>                    | desert chicory                         |    |
| 10 | Cacta | <i>Cylindropuntia echinocarpa</i>                 | silver cholla                          | sp |
| 11 | Fabac | <i>Acmispon strigosus</i>                         | strigose lotus                         |    |
| 12 | Fabac | <i>Senegalia greggii</i>                          | catclaw                                |    |
| 13 | Onagr | <i>Camissoniopsis pallida ssp. pallida</i>        | pale suncup                            |    |
| 14 | Geran | <i>Erodium cicutarium</i>                         | *redstem filaree                       |    |
| 15 | Aster | <i>Lasthenia coronaria</i>                        | southern goldfields                    | sp |
| 16 | Eupho | <i>Chamaesyce polycarpa</i>                       | small-seeded spurge                    |    |
| 17 | Aster | <i>Logfia filaginoides</i>                        | California filago                      |    |
| 18 | Fabac | <i>Lupinus sparsiflorus</i>                       | Coulter's lupine                       | ~  |
| 19 | Aster | <i>Malacothrix glabrata</i>                       | desert dandelion                       |    |
| 20 | Apocy | <i>Funastrum cynanchoides var. hartwegii</i>      | climbing milkweed                      |    |
| 21 | Zygop | <i>Larrea tridentata</i>                          | creosote bush                          |    |
| 22 | Them  | <i>Dichelostemma capitatum ssp. capitatum</i>     | blue dicks                             |    |
| 23 | Borag | <i>Amsinckia tessellata var. tessellata</i>       | bristly fiddleneck                     | sp |
| 24 | Borag | <i>Cryptantha barbigerana var. fergusoniae</i>    | Santa Rosa Mountain bearded cryptantha |    |
| 25 | Nycta | <i>Mirabilis laevis var. retrorsa</i>             | Bigelow's desert four-o'clock          | ~  |
| 26 | Crass | <i>Crassula connata</i>                           | pygmy-weed                             |    |
| 27 | Ephed | <i>Ephedra californica</i>                        | desert tea                             | sp |
| 28 | Fabac | <i>Psorothamnus emoryi</i>                        | Emory's indigo-bush                    |    |
| 29 | Solan | <i>Lycium andersonii</i>                          | Anderson's boxthorn                    |    |
| 30 | Poace | <i>Hordeum murinum</i>                            | *foxtail barley                        |    |
| 31 | Malva | <i>Malacothamnus fasciculatus</i>                 | chaparral bush mallow                  | sp |
| 32 | Convo | <i>Cuscuta californica</i>                        | California dodder                      | sp |
| 33 | Borag | <i>Eriodictyon crassifolium var. crassifolium</i> | thick-leaved yerba santa               |    |
| 34 | Aster | <i>Centaurea melitensis</i>                       | *tocalote                              |    |
| 35 | Cheno | <i>Salsola paulsenii</i>                          | *Paulsen's Russian thistle             | sp |
| 36 |       | <i>unk 2 feet tall by 4 feet wide</i>             |  | ?  |
| 37 | Borag | <i>Phacelia minor</i>                             | wild canterbury bells                  |    |
| 38 | Solan | <i>Datura wrightii</i>                            | sacred datura                          |    |
| 39 |       | <i>check for different Camissoniopsis</i>         |  | sp |

|          |  |                           |     |   |                              |                         |
|----------|--|---------------------------|-----|---|------------------------------|-------------------------|
